

Winter Solstice 2020

ART

CATALOG

Art Catalog

WELCOME TO THE WINTER SOLSTICE 2020 ART CATALOG.

NATIVE ART TODAY IS FUSED WITH THE PAST, VIBRATING WITH THE NOW, AND TRANSCENDING INTO THE NEW. THROUGH THEIR CREATIONS WE EXPERIENCE THE CULTURE THAT SUSTAINS THEM AND THEIR RELIANCE UPON ITS STRENGTHS.

WE ARE OFFERING A SMALL SAMPLING OF EACH ARTIST'S WORK AND ASK THAT YOU VISIT THEIR ONLINE STORES AND CONTACT THEM DIRECTLY TO SEE MORE AND PURCHASE YOUR WINTER GIFTS.

PLEASE SHARE THIS ART CATALOG WITH YOUR FRIENDS AND FAMILY AND ENCOURAGE THEM TO "BUY NATIVE" THIS WINTER SEASON.

THOMAS PEACOCK - BLACK BEARS & BLUEBERRIES

The Wolf's Trail, by Thomas D. Peacock, and published by Holy Cow! Press, this story tells of Zhi-Shay, an elder wolf, and a litter of young wolves living somewhere on the side of a hill overlooking the river that flows through Nagahchiwangong in Northern Minnesota. Zhi-Shay, who knows the whole story of the parallel relationship between wolves and the Ojibwe going all the way back to the beginning, sharing it with his nieces and nephews, and us.

Replete with universal lessons, The Wolf's Trail is the story of the Ojibwe, told by wolves, of what they were and have become, and the promise of their becoming.
